Development Project (OSDP). The project aims to improve the skills development ecosystem in Odisha and establish an advanced skills training conter the World Skill Conter (WSC) in the state capital Bhubaneswar. The proposed project										
training center, the World Skill Center (WSC), in the state capital Bhubaneswar. The proposed project will help the Government of Odisha										
transform its skills development system by establishing WSC and integrating government ITIs,										
polytechnics as well as engineering colleges										
under a hub-and-spoke model. The proposed model aims to expand the state's training capacity, uplift the quality of skills training, and										
strengthen the market relevance of training programs, which would enhance the skills and employability										
of young workforce for the high demand priority sectors. It will further strengthen the overall branding of "Skilled in Odisha" initiative.										
Overall the project aims to benefit around 1,50,000 students, trainers and assessors in the areas of										
mechatronics, facilities technology, precision precision precision engineering, beauty & wellness, hair fashion & design, and logistics operations. Each of the										
18 storeys of WSC will be dedicated
